Dear FCCLA Chapter Adviser,

THANKS to you for all you do! You play a critical role in the success of your high school's chapter of Family, Career and Community Leaders of America (FCCLA) as well as your district's efforts and our state organization. Thank you for the leadership opportunities that you provide for your students and the enrichment that you enable for your school and community.

This Chapter Handbook is intended to serve as a resource for you as you plan and work with your FCCLA Chapter Officers and Members. Due to the nature of communications and our fast-paced society, please do not consider this document to be static—you will need to keep it current with the latest information that you receive from the National Office and by pulling information off of the Colorado FCCLA Website (www.fccla.cccs.edu) and the National Website (www.fclainc.org).

A special thanks to Judy Heath, Linda Motz, Miriam Chavies, Samantha Archer, Kathy Achziger, and current and former State Officers and many others for their contributions to this Handbook.

Warm regards,

Patti Krattenmaker

P.S. In an effort to keep this handbook flexible you will note that no Table of Contents is provided, rather tabs are provided to help you navigate and find the information that you need. Also, some of the tab fronts include an explanation about the materials provided or to be included by you, behind the tab.
